Dates: Saturday 7th October. Meet at the Centre at 7:30am to load and depart by 8:30am.

Trip Admin organiser: Alan Adams **e-mail:** alan@adamshome.org.uk

River Leader/s: Alan Adams

Water Grade / conditions:

Flat, slowly moving,

Distance / Duration:

10 miles, 4-5 hours, plus 2 hours each way driving.

Accommodation Details:

It's a single day trip so if you wanted to extend the weekend you would need to arrange this alone.

Boats, Transport & any other Details:

Longer boats are preferred due to the distance. Some people often use open boats but there is no preference. If you need to use club kit this can be booked out through the equipment officer, if your unable to transport your boat please let the organiser know and they can sort something.

We need to do a shuttle on the Saturday morning to get the cars and kit in the right place for the finish. Most cars will remain at the start.

Parking at the start is a bit limited, and at the end extremely limited. We need to minimise the number of cars by sharing as far as possible. We have access to 2 canoe/kayak trailers and cars with roof racks. So please let us know whether you can car-share from the Centre, and what sort of boat you will be taking (i.e. canoe or kayak).

Worth packing a packed lunch as we usually stop on the canal bank somewhere for something to eat.

What's next:

If you are interested in going please email the trip organiser as we need to confirm numbers. If you have any questions please either email the trip organiser or contact a member of the committee.

If you need a club boat or equipment, please also email the equipment officer (equipment@nckc.org.uk).
