

North wales Grade 2/3 White water trip 25/26th Nov 2023

Location: North Wales Rivers to be decided on the day

Dates: Saturday 25th & Sunday 26th Nov (arrive Friday eve 24th)

Trip Admin organiser: Steve Battams **e-mail:** Steven@steven-b.co.uk

River Leader/s: Steve Battams

Water Grade / conditions:

Im planning for low level Grade 2/3 white water. If you have done other rivers like Matlock, Symonds Yat etc this is ideal. Hoping to find some water in a river somewhere, Levels & Locations are very rain dependent and can only be decided on the day.

Distance / Duration:

2 separate days with some form of accommodation to return to at the end of the day.

Accommodation Details:

We will need to sort accommodation I have a list of bunkhouses ive used before as yet ive not looked at availability but cost is around £30-£50 pppn. Plan would be to arrive on Friday evening.

Boats, Transport & any other Details:

Its quite a drive to North Wales so would be good to try and share transport costs by sharing cars. We will also need to drive from the accommodation each day to a river as well as deal with a shuttle before we paddle.

I have a limit of 4 people that are new to this level of water that I can guide down the river. We also need a couple of more experienced paddlers. This isn't a limit of 4 people on the trip it's a limit of new people to this grade. If interested please contact me.

You will need a boat suitable for white water, and all the other clothing/ waterproof kit to deal with cold weather paddling in late November in Wales.

What's next:

If you are interested to go please email the trip organiser as we need to confirm numbers. If you have any questions please either email the trip organiser or contact a member of the committee.
